Friends of Old-Time Radio Script Contest

The **second** annual original script writing contest is now open. We would like an original 30 minute script which must be based on any of the great radio programs of the past, such as The Shadow, Jack Benny, etc.

The script can have the characters originating in their original era and time or you can update the time to today. The script must have all music and sound cues as well as all the spoken material. Try to arrange it in script form so it doesn't have to be retyped.

The prize for the best script will be \$150 and will have its live performance at our 1996 convention on Thursday evening after dinner. We would like you to attend our convention to participate but it is not mandatory. You can direct it if you wish. There will be some rehearsal time. Scripts must be submitted by September 3, 1995. Send to Dave Zwengler, 319 Plymouth Rd., North Brunswick, NJ 08902. A distinguished panel of old-time radio buffs will pick the winning script. They must be very readable. All are eligible so please spread the word.

The winning script in our first contest was won by Michael Giorgio. It was based on The Whistler and it will be performed at our 20th annual convention on Thursday, October 19, 1995.

Will all clubs with newsletters print the above in order to give everyone a chance?
